

Holiday Pest Prevention Checklist

- Inspect and seal pantry food in airtight containers.
- Check for ant activity near sinks and countertops.
- Vacuum and clean behind appliances where crumbs accumulate.
- Inspect holiday decorations before bringing them inside.
- Store firewood at least 20 feet away from your home.
- Seal cracks around windows, doors, and baseboards.
- Keep trash tightly sealed and dispose of scraps promptly.
- Declutter storage areas where pests can hide.
- Check for signs of mice in garages and basements.
- Schedule a pre-holiday pest control treatment.
